

**Democratic and popular Republic of Algeria**  
**Amar Telidji University -Laghouat**  
**Civil Engineering Department**

**The 5<sup>th</sup> Doctoral Day of Civil Engineering and  
Architecture Faculty**

**Tuesday May the 20th, 2025 at 8:00 a.m. - Amphi el Wiam**

**The scientific committee chair : Pr.GAFSI Mostefa**

**The Scientific Committee members**

|                                                                                                |                                                                                         |                                                                                                                    |

| <b>Coordinator</b>                                                | <b>Coordinator</b>                 |
| Dr Sekkoum Mohamed                                                | Dr Chettih Azzeddine               |
| <b>Information and contact Manager Dr. Boukhelkhal Aboubakeur</b> |                                    |

### **The organizing committee members**

|                       |                          |                           |
|-----------------------|--------------------------|---------------------------|
| Dr. Dhina karim       | Mr. Ferhat Ahmida        | Mr. Kouidri Ahmed         |
| Dr. Guidoum Azzeddine | Mr. Nouioua Tahar        | Mr. Moulay Rédouane       |
| Dr. Korkaz Harzallah  | Mr. Bencheikh Abderrazak | Mr . Mokadem Mahmoud      |
| Mr. Saad Saoud Wahid  | Mme. Boulaghmane Farida  | Mr . Laghouati Abdelwahab |
|                       | Mr. Benguit Amar         |                           |

### **Important dates**

|                                                                 |                                                       |
|-----------------------------------------------------------------|-------------------------------------------------------|
| <b>Papers submission</b>                                        | From April 17 to May 10, 2025                         |
| <b>Papers final Evaluation</b>                                  | From May 11 to 15, 2025                               |
| <b>Final list of accepted papers (oral session and posters)</b> | May 16 , 2025                                         |
| <b>The doctoral day final program</b>                           | May 17 , 2025                                         |
| <b>The doctoral day</b>                                         | Tuesday, May the 20 <sup>th</sup> , 2025 at 8:00 a.m. |

### **Important instruction:**

**Paper Submission will be via Google Forms system. Therefore, authors must log in the link below with their Google account**
